(U) Yemen – US Drone Strike Kills 13 ISIS Fighters

(U) Bayda – A US drone strike killed 13 suspected ISIS members in central Yemen, security sources stated yesterday. The assault, which occurred in Bayda province, is the second known US strike against ISIS in Yemen, following a strike on an ISIS training camp just over a week ago. The US is the only country known to operate armed drones over Yemen, but its previous known strikes have targeted al-Qa'ida. ISIS has grown in Yemen since the country's civil war began in 2015, which has caused 8,673 deaths and 58,636 wounded, according to the United Nations.
